Contributions

Avinash Arunachalam A Murugappan[G01163980]
  - Implementation for the pre-condition to post-condition for payment, principle,
rate.
  - JAVA docs for part-2

Rushil Nandan Dubey [G01203932]
  - Implemented the whole structure for Loan class
  - JAVA docs part-1

Amish Papneja [G01211503]
  - Implementation for the pre conditions to post conditions for the minimum
payment requirment required for principal to shrink rather then grow
  - JAVA docs part-3

In addition to this, everyone contributed equally with their ideas during building
the code together.
